WELCOME TO THE WILDERNESS

JUNIOR AGES 11-12 OR TEEN AGES 13-19

First, we dropped the air conditioning, then we got rid of the electricity and the indoor plumbing. Don't worry, though, we kept the toilet paper.

Wilderness is about helping you become someone who truly loves all the other things you take for granted every day.

It is adventure, and it's like nothing else around.

Experience God and His creation with us this summer!

A Note From Our Chairman

Dear friends and Whispering Winds Bible Camp, Ministries and Whispering Winds Bible Camp, I'm excited! This camping season will be our 75th year of reaching children for memorizing God's word with a scholarship toward camp.

As a ministry we want to assure you Whispering Winds Bible Camp and Bible Impact Ministries still exist to glorify God. How? By presenting Christ through the Word of God. We call it "The Word of God" ministry. We have a passion for the Word of God and we want you to be a part of it. During our staff meetings (which I attend on) we witness the passion of our staff as they work together and plan for the upcoming camping season.

It's going to be great! How many times do you get to celebrate 75 years of ministry? We are aiming to make it the best year of camp ever!

Patrick Norris
 Board Chairman

An exciting week at camp begins with counselors and staff that are hand picked. We scour the country for young men and women who display 1. A vibrant relationship with Jesus Christ, 2. An unshakable love for God's word, 3. And a passionate love for young people. Once God leads us to the right individuals the fun begins with over 100 hours of training, including certification by Red Cross in both CPR and 1st Aid.

Since the summers get hot and your camper plays hard, Whispering Winds provides some of the best quality cabins around with air conditioning and spacious sleeping arrangements. Quality care for your camper continues into the dining hall as the kitchen staff is committed to serving only the best. This includes home made mashed potatoes, vegetables, and the most memorable, made-from-scratch pizzas to end the week.

It's our mission to "Reach Tomorrow's Leaders" here at camp, in your home, and in your communities. All for the glory of God!
